NOCCC meetings for Sunday March 2, 2025

MAIN MEETING

Human- Centered AI: Enhancing Human Capabilities

By Devyn Miller

Special Interest Groups (SIGs) & Main Meeting Schedule

9:00 AM – 10:30 AM

Beginners Digital Photography ....Science 131
Questions and Answers about Digital Photography

Linux for Desktop Users………………Science 129
Beginners' Questions about Linux

10:30 AM – 12:00 PM Noon

3D Printing ....Science 127
Questions and Answers about 3D printing

Advanced Digital Photography… ....Science 131
Questions and Answers about Digital Photography

Linux Administration ....Science 129
More topics about the Linux operating system

Mobile Computing..................................Science 109
We discuss smart phones, tablets, laptops, operating systems and computer related news. **Waiting for a new leader.**

12:00 PM Noon – 1:00 PM

3D Printing……………………………………… Science 127
Questions and Answers about 3D printing if requested.

PIG SIG …………………………………………….. Irvine Courtyard
Bring your lunch. Consume it in the open-air benches in front of the Irvine Hall or join the group that goes to the student cafeteria. Talk about your computer(s) and life experiences.

1:00 – 3:00 PM Main Meeting
Enhancing Human Capabilities

One example is a company wants to start producing a product. John is tasked with documenting everything required to get the product out the door and make a profit for the company. Working with a customized AI, John can quickly create a production plan. A plan that includes timelines for multiple supply chains, component costs, quantity discounts, and much more.

I have copied Gemini's definition in the Editor's Corner starting on page 2.

Devyn Miller will expand our knowledge this topic.

BOD…..3-4PM…….. Science 129

Verify your membership renewal information by checking your address label on the last page. If it is not right, let the treasurer know.

Mark your calendars for these meeting dates
2025: Mar 2 Apr 6, May 4.

Coffee, cookies and donuts are available during the day in room 129 .

"Friends Helping Friends" since April 1976

Table of Contents

Again, verify your membership renewal information by checking your address label on the last page

Special email addresses
Jim Sanders is: editor@noccc.org

Editors Corner

Gemini's overview:
Human-Centered AI can enhance human capabilities by automating repetitive tasks, providing personalized support, augmenting human intelligence through data analysis, improving decision-making by offering insights, facilitating collaboration between humans and machines, and ultimately allowing people to focus on more creative and strategic aspects of their work, all while prioritizing human needs and values in the design process

Windows Key Key Board short cuts
When you combine the Windows key with other keys, you can quickly do common tasks. The following list includes many common keyboard shortcuts that use the Windows key.
Press this key: To do this action:
Windows key   Open or close the Start menu.
Windows key + A Open the Windows 11 action center.
Windows key + Alt + B Turn high dynamic range (HDR) on or off.
Windows key + Alt + D   Display and hide the date and time

on the desktop.

Windows key + Alt + Down arrow   Snap the active window to the bottom half of the screen.

Windows key + Alt + H   When voice typing is open, set the focus to the keyboard.

Windows key + Alt + K   Mute or unmute the microphone in supported apps.

Windows key + Alt + Up arrow   Snap the active window to the top half of the screen.

Windows key + comma (,) Temporarily peek at the desktop.

Windows key + Ctrl + C   If turned on in settings, enable or disable color filters.

Windows key + Ctrl + Enter   Open Narrator.

Windows key + Ctrl + F   Search for devices on a network.

Windows key + Ctrl + Q   Open Quick Assist.

Windows key + Ctrl + Shift + B   Wake up the device when the screen is blank or black.

Windows key + Ctrl + Spacebar   Change to a previously selected input option.

Windows key + Ctrl + V   Open the sound output page of quick settings

Windows key + D   Display and hide the desktop.

Windows key + Down arrow   Minimize the active window.

Windows key + E Open File Explorer.

Windows key + Esc   Close Magnifier.

Windows key + F Open Feedback Hub.

Windows key + forward slash (/)   Start input method editor (IME) reconversion.

Windows key + G   Open the Game Bar. For more information, see Keyboard shortcuts for Game Bar.

Windows key + H   Open voice dictation.

Windows key + Home   Minimize or restore all windows except the active window.

Windows key + I Open Settings.

Windows key + J Set focus to a Windows tip when one is available.

Windows key + K Open Cast from Quick Settings to connect to a display.

Windows key + L Lock the computer.

Windows key + Left arrow Snap the window to the left side of the screen.

Windows key + M   Minimize all windows.

Windows key + Minus (-) Zoom out in Magnifier.

Windows key + N   Open notification center and calendar.

Windows key + O   Lock the device orientation.

Windows key + P Open project settings to choose a presentation display mode.

Windows key + Pause   Opens the Settings app to the System > About page.

Windows key + Period (.)

Windows key + Semicolon (;)   Open the emoji panel.

Windows key + Plus (+)   Zoom in with the Magnifier.

Windows key + PrtScn   Capture a full screen screenshot

Windows key + Q   Open search.

Windows key + R Open the Run dialog box.

Windows key + Right arrow   Snap the window to the right side of the screen.

Windows key + S Open search.

Windows key + Shift + Down arrow   If a window is snapped or maximized, restore it.

Windows key + Shift + Enter   If the active window is a Universal Windows Platform (UWP) app, make it full screen.

Windows key + Shift + Left arrow   Move the active window to the monitor on the left.

Windows key + Shift + M   Restore minimized windows.

Windows key + Shift + R   Select a region of the screen to record a video.

Windows key + Shift + Right arrow Move the active window to the monitor on the right.

Windows key + Shift + S   Select a region of the screen to capture a screenshot to the clipboard. You can then open the Snipping Tool to share or markup the image.

Windows key + Shift + Spacebar   Switch backward through input languages and keyboard layouts.

Windows key + Shift + Up arrow   Stretch the desktop window to the top and bottom of the screen.

Windows key + Shift + V Cycle through notifications.

Windows key + Spacebar   Switch forward through input languages and keyboard layouts.

Windows key + Tab   Open Task View.

Windows key + U Open the Settings app to the Accessibility section.

Windows key + Up arrow   Maximize the active window.

Windows key + V Open the clipboard history.

Windows key + W   Open Widgets.

Windows key + X Open the Quick Link menu. This shortcut is the same action as right-click on the Start menu.

Windows key + Y Switch input between Windows Mixed Reality and your desktop.

A LITTLE HUMOR

A lady goes to the doctor and complains that her husband is losing interest in sex. The doctor gives her a pill, but warns her that it's still experimental. He tells her to slip it into his mashed potatoes at dinner, so that night, she does just that. About a week later, she's back at the doctor, where she says, "Doc, the pill worked great! I put it in the potatoes like you said! It wasn't five minutes later that he jumped up, raked all the food and dishes onto the floor, grabbed me, ripped all my clothes off, and ravaged me right there on the table!" The doctor says, "I'm sorry, we didn't realize the pill was that strong! The foundation will be glad to pay for any damages." "Nah," she says, "that's okay. We're never going back to that restaurant anyway."

Membership Level ($)	1 Year	3 Years
Individual Member	35	90
Each Additional Family Member	15	40
Full-Time* Enrolled College Student	20	
Enrolled High School Student	15
